NOTE FOR: 

SUBJECT : Film Listings

After I received the film listing sheets from you, I sent them down to OCR/Graphics Register to determine if these films were available in the library. I found that OCR also has access to the films in the attached sheets but finds them of little value because of the poor coverage and lack of sound. OCR has provided us with listings of films which were clipped by OSI analysts which are available in their stock at the present time. Would you return this material to me after it has been circulated through OSI.
